Lifetime Achievement Honour Roll

The Lifetime Achievement Honour is an induction into an honour roll.

These individuals will be assessed by an independent panel for consideration on the honour roll based on a long standing and extraordinary contribution to the allied health professions, which exceeds what might normally be achieved, in the course of their professional role.

All health care colleagues are invited to submit the name of an allied health professional who has made an outstanding contribution to their position and the allied health profession(s) over their career.

There are no finalists for this category.

This award is sponsored by Curtin University.

Curtin University

1. Consideration for the lifetime achievement honour will primarily focus on the degree and value of the contribution, rather than merely length of service.

Please describe how the applicant addresses the following lifetime achievement honour criteria:

- a. Demonstrated achievement at a high level;
- b. Made a contribution over and above what might be reasonably expected through paid employment; or
- c. Whose contribution to the allied health professions stands out from others who may have also made a valuable contribution.

Please limit your responses to 5400 characters = approx. 900 words

2. Please provide 2-3 referee letters that support your nomination.

Please attach a copy of any documents you wish to include to this printout. Please combine your letters into one pdf document. Please make sure your file is under 25MB.
