2 Areas of excellence
a. Recognised by peers for their professional and visionary leadership.
b. Considered by colleagues to be committed to supporting, empowering and upskilling all within healthcare.
c. Demonstrate leadership and influence, and uses this influence to lead positive organisational culture and elevate the human experience.
3 Please provide additional information or considerations to support this
application.

## Allied Health Professional of the Year

The Allied Health Professional of the Year makes an outstanding contribution to clinical excellence, leadership, education, and workplace culture. They advocate for evidence-based practice, focus on value-based health care, and provide safe, quality, and compassionate patient care. They actively support a positive and collaborative culture.

The Allied Health Professional of the Year shows commitment to supporting, empowering, and upskilling those around them. They passionately advocate for better patient outcomes through allied health services and collaborate across professions and services to achieve this. The individual is recognised by peers for their outstanding professionalism and the continuous demonstration of pride to be an Allied Health Professional within WA.

Please address the following sections/questions using specific examples or stories.

1 Please state your predominant area of work
(Required) Please select only one item
Primary/Community Care
Mental Health
Rural
Other
If other, please state
2 Please state your reasons for applying for this award.
3 Areas of excellence
a. Recognised by peers for their professionalism and role modelling.
b. Demonstrates outstanding contribution to clinical excellence.
c. Continuously displays commitment to work effectively to provide safe, quality and evidence-based care that elevates the human experience.

4 Please provide additional information or considerations to support this application.
Lifetime Achievement Honour Roll The Lifetime Achievement Honour is an induction into an honour roll.
These individuals will be assessed by an independent panel for consideration on the honour roll based on a long standing and extraordinary contribution to the allied health professions, which exceeds what might normally be achieved, in the course of their professional role.
All health care colleagues are invited to submit the name of an allied health professional who has made an outstanding contribution to their position and the allied healt profession(s) over their career.
<ul> <li>Consideration for the lifetime achievement honour will primarily focus on the degree and value of the contribution, rather than merely length of service.</li> <li>Please describe how the applicant addresses the following lifetime achievement honour criteria:</li> <li>demonstrated achievement at a high level;</li> </ul>
<ul> <li>made a contribution over and above what might be reasonably expected through paid employment; or</li> <li>whose contribution to the allied health professions stands out from others who may have also made a valuable contribution.</li> </ul>
2 Please provide 2-3 referee letters that support your nomination.

Please attach a copy of any documents you wish to include to this printout.

Please combine your letters into one pdf document
