

WA Sexual Health and Blood-borne Virus Strategies (2019 – 2023)

Metropolitan Consultation Workshops

Monday, 3 September 2018, 5.45 – 7.45pm (registration from 5.30 pm)

The University Club of Western Australia, Entrance 1, Hackett Dr, Crawley WA 6009

WORKSHOP AGENDA

The **aim** of the workshop is to gather input to inform the direction of the five Sexual Health & Blood-borne Virus Strategies for 2019-2023

The participants will focus on the following **objectives** in the workshop:

1. Gain an understanding of the context, the epidemiological data and the end of term report for the existing strategies;
2. Identify key actions within the five strategies moving forward; and
3. Agree on the next steps.

The following strategies form the **scope** of the workshop:

- Aboriginal STIs and BBVs
- Hepatitis B
- Hepatitis C
- HIV
- STIs
